About us

Get A Drip has been disrupting the wellness industry since its launch in 2017. It offers affordable Vitamin Drips and Vitamin Injections developed by medical doctors and administered by NMC & NMBI registered nurses. An award-winning company, we believe in making optimum health and nutrition accessible to everyone. Since its launch, Get A Drip has grown to become the UK's number one Vitamin Drip provider with locations across London and rapid expansion plans.

We are delighted to now be opening our second clinic in Dundrum Town Centre, in February 2022. To help us achieve our goals, we're looking for people to join our vibrant team and work in a fun environment with a supportive, hardworking team around you. Enjoy the flexibility of social shifts and the opportunity to make a real difference to our small yet dynamic company.
